FOR IMMEDIATE RELEASE

Haffner Energy publishes Annual Report for FY2024-2025

Vitry-le-François, France – July 31, 2025, 6:00pm (CEST)

Haffner Energy (ISIN code: FR0014007ND6 – Ticker: ALHAF) today announces the publication of its Annual Report for the financial year ended March 31, 2025.

On June 27, 2025, the Company's Board of Directors approved the consolidated and non-consolidated financial statements at March 31, 2025. The [consolidated results were published on June 30, 2025](#) before ongoing audit procedures concluded.

Subsequent to the closing of the financial statements on June 27, 2025, the Company brought to the attention of the Board of Directors new information concerning the legal proceedings against Carbonloop Longvilliers SAS and SAS Carbonloop Villabé. As a result, the consolidated financial statements were again approved by the Board of Directors at its meeting on July 29, 2025.

The Annual Report can be found on the Company's website [here](#).

All of the Company's financial information is also available in the investor section of the website [here](#).

A general shareholders meeting (**the "General Meeting "**) of the Company will be held on Monday, September 29, 2025, in place of September 10, 2025, at 10:00 a.m. at the Company's registered office, 2, Place de la Gare, 51300 Vitry-le-François.

The agenda of the General Meeting, the draft resolutions and the Board of Directors' report on these draft resolutions, as well as the statutory auditors' special reports, will be made available to shareholders within the applicable deadlines.

About Haffner Energy

Haffner Energy is a French company providing solutions for the production of competitive clean fuels. With 32 years of experience converting biomass into renewable energies, it has developed innovative proprietary biomass thermolysis and gasification technologies to produce renewable gas, hydrogen and methanol, as well as Sustainable Aviation Fuel (SAF). The company also contributes to regenerating the planet, through the co-production of biogenic CO₂ and biocarbon (or char/biochar). Haffner Energy is listed on Euronext Growth (ISIN code: FR0014007ND6 – Ticker: ALHAF). Further information is available at www.haffner-energy.com.
